State: MS

Zip\_Code: 39073

Phone: 601-936-4656

Message: I think you really need to think about the tort reform the malpractise is bad enough i really and truely hope that something happens and every one who voted on that will regret it. But since you signed that one you really need to think about the rest of that bill that is going around. if it gonna be done leave it alone that is what was subpost to happen in the beginning was malpractise they keep steering away from the number one issue. Thank you for hearing me. If you even read these things.
